Lava Aquarium Instruction Sheet
CARE AND OPERATION
PLEASE READ ALL OF THE INSTRUCTIONS BEFORE OPERATING.

Transformer Specs: Input: 240V – 50Hz / Output: 12V AC – 500mA
NOTE: This lamp is a Class III and must not be connected directly to the power supply without the use of the transformer supplied.

OPERATING INSTRUCTIONS
1. Carefully unpack and place the unit on a level surface.
2. Rinse Fish:
   a. Put the fish into a bowl of water.
   b. Add liquid soap (this helps to keep the bubbles from clinging to the fish).
   c. Stir water to clean fish.
   d. Throw this water away.
3. Remove the top cap and seal. (Figure A)
4. Fill with distilled/bottled water (DO NOT fill to the top – leave 2” from the opening). (Figure B)
   • NOTE: Use only pure distilled/bottled water. Use of other types of water will affect the function of the product and may cause algae growth. Use of water other than distilled water will void your warranty.
5. Drop fish into the Lava Aquarium. (Figure C)
   a. If the fish do not sink, use tweezers to hold the fish under water and gently shake fish to release air bubbles.
6. Place the seal and decorative cap onto the glass globe.
7. Place the pin plug of the transformer into the socket on the side of the base and plug transformer into the wall outlet.
8. Press the button on the front of the base to turn item on.
9. To disconnect: turn all controls to the off position and then unplug from outlet.
   Remove transformer from base and empty water from product.
NOTE: Lamp Settings is NOT TURND ON without being filled with distilled/bottled water. Powering the lamp without distilled/bottled water will void the warranty.

Lamp Settings: The lamp has several color settings. To change the settings press the button on the front center of base (See Figure D). Press repeatedly to see all of the different lighting options.
   • This item is NOT suitable for LIVI FISH.
   • This product contains moving parts, some noise and vibration is to be expected.
   • LED bulbs are non replaceable.
   • This product is not a toy. Keep lamp and cord out of reach of animals and children.
   • If the fish fail to sink, they may have small air bubble in them, tapping the fish lightly should disperse the air bubbles.
   • The product has a one-way valve fitting – this must not be removed or reversed as it prevents water from getting back into the pump.
   • If the lamp is not used for extended periods of time (i.e. more than 1 week) the water must be emptied to avoid stagnation.
   • Check for leaks when first assembled and on a regular basis.
   • Indoor use only.
   • Place lamp in a place where it cannot be knocked over.
   • Do not place in bright or frequent light as it will fade the colors in the fish.

SAFETY INSTRUCTIONS:
When using an electrical furnishing, basic precautions should always be followed, including the following. Read all instructions before using this furnishing.

DANGER — To reduce the risk of electric shock, always disconnect from the power supply before cleaning.

WARNING — To reduce the risk of burns, fire, electric shock or injury to persons:
   • Unplug from outlet before putting on or removing any parts.
   • Use this furnishing for its intended use as described in these instructions.
   • Do not use attachments not recommended by the manufacturer.
   • Never operate this furnishing if it has a damaged cord or plug.
   • The plug cannot be replaced and the product must be returned.
   • Do NOT use if the transformer body is damaged.
   • Do NOT move the product when it is filled.
   • Do not modify or alter any product before or after installation.
   • This will invalidate your warranty and may render the product unsafe.
   • Keep all packaging until after a successful installation and retain instructions for future use.
   • Keep cord away from heated surfaces.

LIMITED 90 DAY WARRANTY
This unit is warranted by LAVA LITE LLC® against defects in workmanship or materials for 90 days from the date of purchase. The duration of any express or implied warranties, including implied warranties of merchantability or fitness for a particular purpose, are limited to 90 days from the date of purchase. This warranty shall be void if the lamp has been subject to abuse, negligent handling, disregard of operating instructions or attempted repair by anyone other than the manufacturer. LAVA LITE LLC® shall in no event be responsible for incidental or consequential damages of any nature or amount.
NOTE: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you (as a purchaser) may also have other rights which vary from state to state.

SERVICE AND REPLACEMENT INSTRUCTIONS
Within the 90 day warranty period, if for any reason, other than a burned out light bulb or misuse (see Care and Instructions), your unit does not function properly, then return it to your retailer. The manufacturer is the only one that can make warranty replacements after 90 days. DO NOT RETURN THE LAMP LAVA LITE LLC® UNLESS AUTHORIZED BY A COMPANY REPRESENTATIVE. Customer Service may be contacted at 1-800-336-5282 or via e-mail at infomaster@lavalive.com
