

Australia/New Zealand/Asia

Country	Live Animals	Embryos	Semen	Opportunities
Australia	Prohibited due to TSEs	Refer to AQIS import requirements	Refer to AQIS import requirement	
New Zealand	Prohibited due to TSEs	No listed protocol	No listed protocol	
Afghanistan	No protocols	No protocols	No protocols	Unknown
Armenia	Under revision	Under revision	Under revision	Under revision
Azerbaijan	No protocols	No protocols	No protocols	Unknown
Bahrain	No protocols	No protocols	No protocols	Unknown
Bangladesh	No protocols	No protocols	No protocols	Unknown
Bhutan	No protocols	No protocols	No protocols	Unknown
Cambodia	No protocols	No protocols	No protocols	Unknown
China	No protocols	No protocols	No protocols	Semen Embryos (has current protocols for bovine) - NCIE says no requests made
Georgia	No protocols	No protocols	No protocols	Unknown
Hong Kong	No protocols	No protocols	No protocols	Unknown
India	No protocols	No protocols	No protocols	Semen Embryos (has protocols for bovine) NCIE says no requests made
Indonesia	No protocols	No protocols	No protocols	Semen Embryos (has current protocols for bovine)
Iran	No protocols	No protocols	No protocols	Unknown
Iraq	No protocols	No protocols	No protocols	Unknown
Israel	No protocols	No protocols	No protocols	Has protocols for live goats and caprine germplasm (prior to BSE)
Japan	Protocol Jan 2003 (No BSE)	No protocols	No protocols	Semen Embryos; may

	statement but prior to BSE so would have to make formal inquiry)			have issues with live re BSE
Jordon	No protocols	No protocols	No protocols	Unknown
Kazakhstan	Protocol Feb 1995 (prior to BSE but no BSE statement	No protocols	No protocols	Semen Embryos
South Korea	Protocol Jul 1997 (prior to BSE but no BSE statement	No protocols	No protocols	Semen Embryos; may have issues with live re BSE
Kuwait	No protocols	No protocols	No protocols	Unknown
Laos	No protocols	No protocols	No protocols	Unknown
Lebanon	No protocols	No protocols	No protocols	Unknown but allows live cattle as of 2006
Malaysia	Protocol Dec 1990 (prior to BSE but no BSE statement but very early and may not have considered BSE in sheep	No protocols	No protocols	Semen Embryos
Mongolia	No protocol	Protocol Aug 2001	Protocol Aug 2001	Live
Myanmar	No protocols	No protocols	No protocols	Unknown
Nepal	No protocols	No protocols	No protocols	Unknown
Oman	No protocols	No protocols	No protocols	Unknown
Pakistan	Protocol Oct 88 (prior to BSE but no BSE statement – but very early and may not have considered BSE in sheep	No protocols	No protocols	Unknown
Philippines	Protocol Aug 90 (prior to BSE but no BSE statement – but very early and	No protocols	No protocols	Semen Embryos Live sheep

	may not have considered BSE in sheep			
Saudi Arabia	Protocol June 87 (prior to BSE but no BSE statement – but very early and may not have considered BSE in sheep)	No protocols	No protocols	Unknown
Singapore	No protocols	No protocols	No protocols	Unknown
Sri Lanka	No protocols	No protocols	No protocols	Unknown
Syria	No protocols	No protocols	No protocols	Unknown
Taiwan	Protocol Sept 94 (prior to BSE but no BSE statement – but very early and may not have considered BSE in sheep)	No protocols	Protocol Sept 2006	Embryos Live sheep
Tajikistan	No protocols	No protocols	No protocols	Unknown
Thailand	Protocol April 93 (This protocol is currently under negotiation)	No protocols	No protocols	Embryos Semen Live sheep
Turkmenistan	Protocol Oct 94 (prior to BSE but no BSE statement – but very early and may not have considered BSE in sheep)	No protocols	No protocols	Embryos Semen Live sheep
United Arab Emirates	Protocol Oct 2002 (prior to BSE but no BSE statement – NCIE feels this is still may be viable)	No protocols	No protocols	Embryos Semen Live sheep
Uzbekistan	Protocol Sept 94 (prior to BSE but no BSE	No protocols	No protocols	Embryos Semen Live sheep

	statement – but very early and may not have considered BSE in sheep			
Vietnam	No protocols – NCIE has bilateral meeting with Vietnam in January 2009. Will introduce protocol if industry suggests	No protocols	No protocols	Unknown
Yemen	No protocols	No protocols	No protocols	Unknown

Green	Currently allowing imports
Yellow	Possibility of imports
Red	Prohibitions on imports; significant challenges to lift restrictions
Purple	Unknown – no prohibitions or protocols listed
