HERITAGE
Pass on your passion
CELEBRATE OUR CULTURE

Our deep roots in the sheep industry unite us and create a common desire to build a stronger future. No matter how we raise our flocks or where we live, we want a future that allows our culture to prosper.

Your donation to the Sheep Heritage Foundation means that tomorrow’s producers will be able to carry on your devotion to the sheep industry and preserve its strong traditions and values. Through your generosity, we are able to inspire future leaders and fund innovative projects that help our industry grow.

Because of your support, our next generation of sheep producers will have the chance to Pass on their Passion.

Your contribution to the Sheep Heritage Foundation will help protect your livelihood and legacy.
PROPEL PROSPERITY

The Foundation focuses on projects that will enhance sheep production knowledge, provide sustainability for producers, sharpen skills of the industry’s future leaders, explore new technologies and encourage product innovation.

Guiding the Foundation’s work is a board of directors comprised of past presidents of the American Sheep Industry Association and its predecessor organization. Each member of the Foundation is committed to bettering our industry and leaving a legacy for those who will sustain our culture into the future.
“As farmers and ranchers, we honor and respect the tradition associated with sheep production in our country. It’s our job to give our children and grandchildren the same wonderful experience, and ensure the longevity of our industry for many years to come. Often these projects get thrown to the wayside or downscaled due to lack of funding, but with your fully tax-deductible contributions, we can continue to make progress for sheep producers across our nation.”

— Peter Orwick
Executive Director, American Sheep Industry Association
YOUR FAMILY MEMORIAL

For families seeking to commemorate their passion for the sheep industry, the Sheep Heritage Foundation is a one-of-a-kind opportunity. Your family’s legacy lives through your donation.

Choose to designate your contribution to an existing fund, such as the highly-valued Memorial Scholarship, or establish a new path — one tailored to capture the culture of your family. Either way, you are truly making a difference.

“The Sheep Heritage Foundation scholarship helped make my academic and professional goals a reality. I was able to focus on learning what would be most beneficial to the sheep industry. Now, every day, I am privileged to advise both sheep producers and students who want to contribute to our industry. There is immense value in this program and I hope it will expand in the coming years.”

— Whit Stewart, Ph.D.
Montana State University Sheep Extension Specialist
2014 Sheep Heritage Foundation Memorial Scholarship Recipient

DONATE NOW

The Sheep Heritage Foundation is a 501(c)(3) charitable foundation.

All donations are tax-deductible.

All contributions are acknowledged in the Sheep Industry News.
“What unites every one of us in the sheep industry is the love of our work, all of nature’s resources that allow us to raise our sheep and the hope that this opportunity will be possible for generations to come. The Sheep Heritage Foundation is focused on this mission. This is an ideal way to commemorate your family’s heritage and proud tradition.”

— Don Meike
Wyoming Sheepman
Sheep Heritage Foundation Board of Directors
